DEAR FAMILY AND FRIENDS

And we know that all things work together for good to them that love God, to them who are the called according to his purpose -Romans 8:28

GIRLS PRESENTING DANCE & SONG

Do not forget that God is in control regardless of what you have gone through. I am happy to say “bye bye” to an unusual year 2020! All our schedules were interrupted. It affected our everyday activities, work and fellowships. In all these things though, God will work for our good because you and I love God.

MHEPY DOWNTOWN CHURCH
CHRISTMAS SERVICE

Welcome to New Year 2021. As Paul said, forgetting what is behind and straining toward what is ahead. Philippians 3:12-14. Expect great things from God and attempt great things for God. Let us be ready to ride with God.

CHRISTMAS CELEBRATION IN CHILDREN HOMES AND CHURCHES

WORSHIP AT PHUTUNG CHURCH

In Nepal, church believers come together on the 25 of December and celebrate Christmas. Many believers are the only Christian in their families and it is therefore really important that the church members support each other. Church has a special service, followed by a meal together and fun and songs. This is the way we celebrate the most important day in history, the birth of Jesus. We invite our non-believer neighbors and use this day to evangelize the reason for Christ’s birth. Even with the lockdowns in Nepal last year, we were allowed to meet at end the year, celebrating together.

CHILDRENS' HOME CHURCH

At the children’s homes, our kids received new winter clothes, gifts, meals with fun and fellowship! Such a time of joy in the midst

of struggle! Christmas is a special time for each one of us because of Jesus Christ’s birth for humankind’s salvation. His redeeming plan through His Son Jesus is really something to celebrate!

NEW PLACE OF WORSHIP IN TARHARA, SUNSARI, EAST NEPAL

As a pastor, I know how important it is for us to see a place of worship. Pastor Bhim and I have talked and prayed together for this day to come. When your congregation has a site for prayer and fellowship, it makes a vast difference in not having to carry instruments and other equipment week after week. The Church has been collecting offerings and contributions to get this place.

Even though people make a few dollars a day they have given from their hearts and have done their best to accomplish this. Their dream has come true to see a

permanent location for the church. We were able to help them with the extra cost they needed to put a tin roof and complete the building. CFA also supports native missionary Bhim and his family. Praise the Lord that they have a place now and we are so excited for this church growth!

TWO-ROOM SHOPS AT CHILDREN'S HOME UPDATE: We have received 50% of the budget for the children's home for this, but we still need around \$7500. THANK YOU for your prayers and contributions for this project as we believe this will be a great asset to the children home area. We will start the process as soon as we have enough funds.
