DEAR FAMILY AND FRIENDS

“Children are great imitators. So give them something great to imitate.” – Anonymous. “I continue to believe that if children are given the necessary tools

to succeed, they will succeed beyond their wildest dreams.” – David Vitter
Children are a gift from the Lord... – Psalms 127:31. And He took the children in his arms, placed his hands on them and blessed them.” – Mark 10:16.

It has been 25 years and more since we have run children’s homes. PTL! We raised many kids. Many are married, working as church planters, and living successful lives; some are working with us. It has been a blessing to help these kids.

I have arrived from a second children’s home in Bhojpuri, east Nepal. Having Lokmani and his wife, Pinki, has been a blessing in leading the children’s home and church. These couples are solid and mature leaders who have run children’s home for many years. They are excellent in caring for children and full of creative ideas and incredible leaders for CFA.

They are active and hard-working, with the resources to make children’s lives easier. Today, all seasonal vegetables are planted on children’s home property, raising their chickens, goats,

and pigs for meat. They have started planting fruit trees in the field. In a few years from now, there will be enough fruits in the area in fruit seasons.

This week, kids are preparing for their exams in their school. The school is not far from here and the kids are doing excellent academically. It is a blessing for me to see they are well taken care. I can speak in their lives and spend some time with them.

Thank you for your contributions and prayers for the children’s homes.
