

October 2023

DEAR FAMILY AND FRIENDS

"With man, this is impossible, but not with God; all things are possible"
-Mark 10:27

We hope this newsletter finds you doing absolutely fantastic. We have some truly exciting news to share from the beautiful north Nepal Jiri, not so far from Tibet.

We are thrilled to announce that we've started a third children's home in Jiri! This is a significant milestone for us, as it extends our reach and provides a nurturing and safe environment for nine precious children who now call this place their home. We couldn't be happier to see this home's positive impact on their lives. What makes this new location exceptional is that it is situated in an area which was the final village where people hiking to Mt. Everest would visit before starting their track. The property is Sudip's family and sibling; for now, they are letting us use their properties to grow crops as well.

Initially, thanks to your support, we can transform this dream into a reality. We have started cultivating potatoes and other vegetables on this land, to become self-sustainable, eventually. So far, we have one couple taking care of the work here, but we are looking to add another family to support them in their efforts. This summer we were able to take a trip there with our three great kids and help with digging up some potatoes. It was really a great experience for all of us!

Our vision extends beyond just providing a loving home for these children. Our focus also lies in reaching out to Tibetan people groups in this area, who often face unique challenges and barriers to accessing resources and opportunities. This new children's home also serves as our second ministry base to reach unreached people groups in this region. Moreover, it will also mark our fifth church plant in this area, as we continue to establish places of worship where the love of Jesus can shine brightly.

We cannot express enough how much we appreciate your unwavering support through your generous contribution. Your contributions enable us to make a lasting impact on the lives of these children, giving them hope, education, and a chance for a better future. Please know that every single donation matters and makes a significant difference in their lives. Together, we can make a lasting impact on these children and the entire community surrounding our new children's home in Jiri. Through your gifts, you are directly contributing to the growth and prosperity of these children, as well as the bigger mission; to reach out to the Tibetan people groups and share the good news with them.

With heartfelt blessings,

-The Khadka family

All the boys living here now

Boys' bedroom

Simple building structure. We would like to expand to accommodate one more family
