

## DEAR FAMILY AND FRIENDS

*Do not remember the former things, nor consider the things of old. Behold, I will do a new thing, Now it shall spring forth; Shall you not know it? I will even make a road in the wilderness And rivers in the desert. - Isaiah 43:18-19*

This is a powerful word. The passage reminds us not to dwell in the past but to look for new things God will do. God is always doing something new. I am meditating on the word that God makes streams or rivers in the desert. That means we can trust in him. He is God who does miracles even in our impossibilities. I hope that speaks to your situation.

Just joyful Christmas is celebrated in all three children's homes. Your generosity and kindness have made a significant impact. Thank you for making it possible for them to have winter clothes, a meal, and gifts and for sharing the joy of Jesus through prayers and contributions. We value your partnership. A picture is worth a thousand words. Enjoy the pictures from all three children's homes.

Blessings and love,
