

## DEAR FAMILY AND FRIENDS

***If the Church is not Making Disciples, then all the cathedrals, clergy, missions, sermons, even the Bible, are a waste of time.” – C.S. Lewis.***

C.S. Lewis’s quote echoes Jesus’ great commission: “Go and Make disciples of all nations, baptizing and teaching them” (Matt 28: 18-20). Later, Paul emphasized and wrote to the church in Rome. How will they call on him whom they have not believed? And how are they to believe in him, whom they have never heard of? And how are they to hear without someone preaching? And how are they to preach unless they are sent? As it is written, how beautiful are the feet of those who preach the good news!” (Roman 10:14-16)

We recently celebrated the graduation of our students from the three-month school of ministry in May. It’s a joy to see students from unreached tribal backgrounds. This is the reality of our vision of spreading the gospel to every village. These students have returned to their native places, actively participating in local churches and evangelism.

Holy Spirit spoke to Kopila, and she moved with her husband to India a few years back. They continue to share the gospel and plant churches. She graduated from our school of ministry in Kathmandu. God has used her and her family to reach the Nepali and Bhutanese-speaking communities there.

I remember James studying at our school, and later, he moved back to his village. James and his family started a fellowship in their village. Recently, I understood that he is in his third church plant.

Seeing God’s kingdom advance has been my heart’s desire and hunger. He will do it with our involvement or not.

Thank God that he has given us an opportunity. The school has been on a mission to make disciples and raise future church planters and leaders. There are a lot of stories of students whom God has used to transform their local village, like Kopila and James.

Pastor Santosh continues to have a lot of energy, excitement, and motivation to run the school. He is a dedicated and mature leader. Santosh and his wife Sharadha have done a remarkable job for many years.

We want to take this opportunity to express our deep gratitude to all of you, our supporters and donors. Your unwavering support, especially that of Christoph Brocker, has been instrumental in the success of our school of ministry. Your contributions have made a significant difference, and we are truly grateful for your continued belief in our mission.

Our next ministry school will begin the first week of September. Please be praying for Santosh and the team as they prepare. We also want to see the right people enroll. More updates in the next newsletter.
